Formerly VICTORY OF COINS

In the FINAL CHAPTER of the Judas Chronicles, William Barrow (aka Judas Iscariot) is faced with one of the most important decisions of his two thousand year stay on Earth.... Should he leave well enough alone and seek a quiet retirement, having retrieved the first twenty-eight of the original thirty coins of silver paid to him for betraying Jesus Christ? Or should he press on to recover the last two shekels, and find out if it is enough to redeem his soul before Almighty God?

The temptation to delay the inevitable is quite alluring—especially since it comes with the promise of a ‘new’ life with Beatrice—one that includes Roderick, Amy, Cedric, and Jeremy as they build a meaningful existence after the tragedy in New Orleans sixteen months earlier. The potential of decades—or even centuries—of unfettered happiness is quite real, given the perpetual youth they all enjoy. But after Viktor Kaslow returns to William’s world, the permanence of such a blissful existence becomes precarious at best.

Kaslow, now the ruler of an ancient demonic realm, relies on the ultimate wickedness to force William back into the coin collecting game. Tragedy again serves as a catalyst that fuels a grueling race across four continents to track down the ‘capstone’ of the collection: The Damascus Coin. To reach this ultimate prize, William and his companions must survive a host of new deadly obstacles.

A society of immortals watch with keen interest from the sidelines, as the ruthless Russian and forlorn Disciple of Christ square off for the last time. Will the joy of salvation or eternal damnation await William, long hated as Judas? It all depends on what transpires in Immortal Victory....

Acclaim for the novels of Aiden James:

"The intense writing style of Aiden James kept my eyes glued to the story and the pages seemed to fly by at warp speed. ...Twists, turns, and surprises pop up at random times to keep the reader off balance. It all blends together to create one of the best stories I have read all year."

--Detra Fitch, Huntress Reviews for "The Devil's Paradise"

"Aiden James has written a deeply psychological, gripping tale that keeps the readers hooked from page one."

--Bookfinds review for "The Forgotten Eden"

"Aiden James writing style flows very easily and I found that "Cades Cove" snowballed into a very gripping tale. Clearly the strengths in the piece were as the spirit's interaction became prevalent with the family... The Indian lore and ceremonies and the flashbacks to Allie Mae's (earthly) demise were very powerful. I think those aspects separated the work from what we've seen before in horror and ghost tales."

--Evelyn Klebert, author of "A Ghost of a Chance" and "Dragonflies"

"Aiden James has a keen eye for detail and an uncanny knack for scaring the hell out of me. We are watching a master at work. "The Raven Mocker" is a nearly perfect thriller. Ghost stories don't get any better than this."

--J.R. Rain, Bestselling author of the "Vampire for Hire" series

"As with the previous titles I have read by this author, I found the author's writing style to be silky smooth and the main plot line to be extremely creative. The fertile imagination of Aiden James definitely knows what today's readers want to see in their stories."

--Detra Fitch, Huntress Reviews for "The Vampires' Last Lover"
