## **50 Pips A Day Forex Strategy**

- Start making consistent profits in the forex market

### **Components**

- Support and Resistance
- Candlesticks
- Moving Average
- Timeframe - 4 hours chart

### **Summary**

- This is a very clear and simple to follow forex trading strategy to get you started achieving consistent profits day after day trading the forex market. It will make you 50 pips per day or more every day. It is ideal for beginner traders but it will give a great deal of help to more experienced traders that have not found a clear strategy to make profits consistently
- It is easy to understand and to put in practice.
- It has very well defined entry, stop loss and exit levels.

### **How to Build a Solid Trading System**

Apart from the strategy, this book also contains a very useful guide that teaches you how to construct a profitable forex trading system for yourself and how to avoid trading and money management mistakes

### **Are you new to forex trading or just started to trade on a live account but with not much success ?**

- You need a solid forex trading system based on sound principles of the forex market, that has clear trading and money management rules

### **Do you have a forex trading system and you have been trading with it for a period of time but still you don't have the success you hoped for ?**

- This can only mean that your trading system does not take into account the basic trading rules and principles that any powerful forex trading system incorporates

This book teaches you how to construct your own powerful forex trading system, what are the most important forex trading tools that you must include in it, what not to include in your forex trading system, how to apply solid money management rules and equally important, how to avoid making trading mistakes that will cost you when you start to trade with your newly developed forex system.
