Five Tales of Christmas: A Christmas Carol, The Chimes, The Cricket on the Hearth, The Battle of Life, The Haunted Man Charles Dickens

Dickens is widely known for his masterpiece "A Christmas Carol." Yet it was only the first in a series of five short novels set in the Christmas season, composed by Dickens over six years. Each is a unique classic, and a profound celebration of Christmas, in its own right. The entire series of Christmas Books is here collected in a single volume, including: "A Christmas Carol": Ebenezer Scrooge's contempt for Christmas is confronted by four spirits who reveal the value of Christmas and the nature of a good life. "The Chimes": A pitiless man who has lost his belief in human goodness and nay higher calling for humanity is gifted with a Christmas vision of his loved ones' lives after his death. "The Cricket on the Hearth": A magical cricket plays the role of guardian angel to a small family through many trials, tribulations, and joys. "The Battle of Life": A young woman's suspicious disappearance leaves her family in doubt of her good character. "The Haunted Man": A man tormented by brooding upon wrongs done to him accepts a spirit's offer to lose his memory of past harms, only to find that a deeper conversion is needed to relieve his feelings of anger.
