Raised (Paranormal Horror Romance) Vivian Vixen

## A romance to really get *wrapped* up in!

Tess is a disgraced researcher. Her life plan was built around warm, sunny days in the Egyptian desert, digging for ancient relics of the Pharaohs. Instead, she's been cast aside, into the dark, cold reaches of the Nordic region.

When a museum fellow approaches her about deciphering a few unfamiliar hieroglyphs, she knows she doesn't have a choice, even though it means a red eye flight to London. So she packs her bags and jumps the next flight out, getting into the lab at midnight and settling into her work.

Hours later she has the words in her hands. She reads them out and the most extraordinary thing happens—she awakens a five-thousand year old mummy! A gorgeous, Egyptian man who's aching for his long lost love. An ache that maybe, just maybe, Tess can alleviate.
