The Longest Journey (Penguin Classics) E. M. Forster

E. M. Forster once described *The Longest Journey* as the book "I am most glad to have written." An introspective novel of manners at once comic and tragic, it tells of a sensitive and intelligent young man with an intense imagination and a certain amount of literary talent. He sets out full of hope to become a writer, but gives up his aspirations for those of the conventional world, gradually sinking into a life of petty conformity and bitter disappointments.
