# The Prince (Modern Library Classics)

*Niccolo Machiavelli*

**The Prince (Modern Library Classics)** Niccolo Machiavelli

**A new translation by Peter Constantine**

**Introduction by Albert Russell Ascoli**

The first modern treatise of political philosophy, *The Prince* is one of the world's most influential and widely read books. Machiavelli reveals nothing less than the secrets of power: how to gain it, how to wield it, and how to keep it. Ruthless, cunning, and amoral, *The Prince* is a controversial analysis of manipulation and an essential guide for anyone interested in conquest, self-defense, or observation of dominance and control. The Introduction by noted Italian Renaissance scholar Albert Russell Ascoli provides a perfect opening to Peter Constantine's illuminating new translation of this seminal work.

**“Constantine elegantly captures in English the pith of Machiavelli’s brilliant Italian prose.”—Edward Muir, Clarence L. Ver Steeg Professor in the Arts and Sciences, Northwestern University**
