Big Picture of the Bible—Old Testament Lorna Daniels Nichols

Have you ever wondered what the Old Testament is all about? Or how the people and books in the Old Testament are connected? Or most importantly, how stories and events that happened thousands of years ago relate to you today?

Big Picture of the Bible—Old Testament is a study that provides a summary of Bible stories and events in an easy-to-read bulleted format. This introductory study is presented in eight easy lessons with pictures, maps, and charts, all designed to help you better understand the stories and message of the Bible. Bible events are organized in historical sequence so that readers can see the continuity and overall message of the Bible. Emphasis is placed on Old Testament scriptures that refer to God's Plan of Redemption and Salvation so that readers can see how Jesus Christ fulfilled that plan.

Big Picture of the Bible can be used either as an individual or group study. It is not a replacement for reading the Bible, but rather supplements it. Allow God to reveal Himself to You through His Word—The Bible—and experience spiritual growth as you learn the Hebrew names of God, His character, and His love. God invites you to join Him through the Bible to a more personal, intimate relationship with Him.

From reader reviews:

Vicki Allen:

As people who live in the particular modest era should be up-date about what going on or data even knowledge to make these people keep up with the era which is always change and move ahead. Some of you maybe will update themselves by reading books. It is a good choice in your case but the problems coming to anyone is you don't know what kind you should start with. This Big Picture of the Bible—Old Testament is our recommendation to make you keep up with the world. Why, because this book serves what you want and want in this era.

Fern Marshall:

Reading a guide tends to be new life style on this era globalization. With reading you can get a lot of information that can give you benefit in your life. Together with book everyone in this world can share their idea. Publications can also inspire a lot of people. A great deal of author can inspire their reader with their story as well as their experience. Not only situation that share in the textbooks. But also they write about the information about something that you need example of this. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors on this planet always try to improve their talent in writing, they also doing some exploration before they write with their book. One of them is this Big Picture of the Bible—Old Testament.

Maurice Conner:

Playing with family inside a park, coming to see the water world or hanging out with pals is thing that usually you could have done when you have spare time, then why you don't try issue that really opposite from that. One activity that make you not experience tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love Big Picture of the Bible—Old Testament, you could enjoy both. It is excellent combination right, you still need to miss it? What kind of hangout type is it? Oh occur its mind hangout men. What? Still don't understand it, oh come on its known as reading friends.

Clara Duke:

You could spend your free time to read this book this e-book. This Big Picture of the Bible—Old Testament is simple to develop you can read it in the area, in the beach, train in addition to soon. If you did not include much space to bring the actual printed book, you can buy the e-book. It is make you better to read it. You can save the particular book in your smart phone. Consequently there are a lot of benefits that you will get when one buys this book.
