The Gospel of the Christ is a clear, biblical reply to the question of what a person must believe about Jesus Christ to possess eternal life. While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life, this raises the vital question: what is the necessary content of this faith? Written against the backdrop of the controversy within Free Grace circles over the "crossless gospel" and the contents of saving faith, Thomas Stegall goes well beyond a carefully documented analysis of his own movement. The Gospel of the Christ provides a systematic, exegetically-based treatment of biblical teaching on the subject of "the gospel" and the meaning of the title, "the Christ." The end result is a comprehensive biblical and theological study of Jesus Christ's person and work in the contents of saving faith.
