Separated by Time. United by Fate. Saved by Love ...

Charismatic and sexy Ayden Stone is a multi-talented media mogul by day and playboy by night, seducing and discarding women, seeking only sexual pleasure without commitment. He is looking for the love of his life, but is settling for stand-ins ... then Fate intervenes.

A chance meeting with shy school teacher Elizabeth Parker triggers a passionate reaction in him that he cannot explain. Unable to help himself, he is drawn to her by a kind of gravitational force. Up close, he recognises her charm and beauty and is consumed by the idea that they have met before.

Unschoolled in the art of seduction, Elizabeth begins her journey of sexual awakening, allowing Ayden to steer her towards deep and dangerous waters, unaware of their fateful connection.

With great passion comes heartbreak, threatening their relationship and testing its limits. A dangerous figure from Elizabeth's past returns, desperate to take back what is 'his'.

Elizabeth Parker is about to be found, but will she be bound by her destiny or by her demon ...

The Story of Us is an epic story of love, loss and redemption. A modern day fairy-tale full of passion, unspeakable secrets and suspense.

148,000 words of seduction and suspense.
