Wretched Sisters: Examining Gender and Capital Punishment (Studies in Crime and Punishment)

Mary Welek Atwell

Since the United States reinstated the death penalty in 1976, eleven women have been put to death for murder. Each case involves a personal story with unique tragic elements. Yet common themes reflect how the criminal justice system defines crimes committed by women in a particular gendered context. *Wretched Sisters* offers an analysis of the legal and popular cultural circumstances that determine why a small number of women are sentenced to death, and provides an empathetic account of how these eleven came to be subjected to the ultimate punishment.
