Moll Flanders (Oxford World's Classics)

Daniel Defoe, G. A. Starr, Linda Bree

Moll Flanders (Oxford World's Classics) Daniel Defoe, G. A. Starr, Linda Bree

A tour-de-force of writing by Daniel Defoe, this extraordinary novel tells the vivid and racy tale of a woman's experience in the seamy side of life in late seventeenth- and early eighteenth-century England and America. Born in Newgate prison, and seduced in the home of her adoptive family, Moll learns to live off her wits, defying the traditional depiction of women as helpless victims. First published in 1722, and one of the earliest novels in the English language, its account of opportunism, endurance, and survival speaks as strongly to us today as it did to its original readers. This new edition offers a critically edited text and a wide-ranging introduction by Linda Bree, who sheds light on the circumstances out of which the novel grew, its strengths and weaknesses as fiction, and the social and cultural issues examined in the novel. In addition, her comprehensive notes clarify meanings, allusions, and other references. Finally, the book includes a glossary, a note on money, and maps of England, London, and the American colonies.

About the Series: For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.

From reader reviews:

Donna Beckman:

Reading a e-book tends to be new life style in this era globalization. With reading you can get a lot of information that could give you benefit in your life. With book everyone in this world could share their idea. Publications can also inspire a lot of people. Lots of author can inspire all their reader with their story as well as their experience. Not only the storyplot that share in the ebooks. But also they write about the knowledge about something that you need example of this. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors in this world always try to improve their skill in writing, they also doing some study before they write on their book. One of them is this Moll Flanders (Oxford World's Classics).

Warren Ford:

Why? Because this Moll Flanders (Oxford World's Classics) is an unordinary book that the inside of the guide waiting for you to snap this but latter it will distress you with the secret it inside. Reading this book close to it was fantastic author who all write the book in such incredible way makes the content inside of easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you because of not hesitating having this anymore or you going to regret it. This book will give you a lot of rewards than the other book get such as help improving your ability and your critical thinking way. So , still want to hold up having that book? If I were you I will go to the e-book store hurriedly.

Lila Smith:

Reading a book to get new life style in this calendar year; every people loves to go through a book. When you read a book you can get a wide range of benefit. When you read ebooks, you can improve your knowledge, due to the fact book has a lot of information on it. The information that you will get depend on what types of book that you have read. If you would like get information about your analysis, you can read education books, but if you want to entertain yourself you are able to a fiction books, these kinds of us novel, comics, and also soon. The Moll Flanders (Oxford World's Classics) will give you a new experience in looking at a book.

Katherin Buerger:

As a scholar exactly feel bored to be able to reading. If their teacher requested them to go to the library in order to make summary for some reserve, they are complained. Just little students that has reading's soul or real their interest. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that studying is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Moll Flanders (Oxford World's Classics) can make

you really feel more interested to read.
