Posing Techniques for Photographing Model Portfolios Billy Pegram

With detailed discussions and eye-catching, dynamic images, this guidebook shows professional photographers how to masterfully create beautiful images of a model to achieve any creative objective. Instructions illustrate basic poses as well as a host of subtle variations to provide photographers with an endless array of looks for editorial fashion shots, athletics, glamour or nude photography, and shots designed to show curves, reveal personality, or showcase the hands, hair, or legs. This comprehensive resource also provides expert advice on conducting a successful session, how to work with the model, how to work with a support staff of image stylists, and tips for designing a high-quality portfolio. Additional lessons provide a start-to-finish analysis of four different shooting sessions, each with a different model and a different objective.
