BOOK 1: HEALING HEARTS

Dr. Danielle Sheridan can't stand Dr. Logan Belmonte. Sure, he's an amazing doctor, but he's also arrogant, cocky, smart-mouthed, and so full of himself there's no room for anyone else in his life. Sure, he's ruggedly handsome and sexy in a "down and dirty" sort of way, but Danielle can't imagine any woman putting up with his childish antics and unprofessional behavior.

Likewise, Dr. Logan Belmonte can't stand Dr. Danielle Sheridan, even though the rumor is she paid her way through med school by being an underwear model. Granted, Danielle Sheridan is a knock out, but she's also pompous, condescending, and completely self-absorbed. Logan can't imagine anyone wanting to spend time

with such a stick in the mud.

Then the unexpected happens: the feuding doctors are stuck in an elevator in the middle of the night with no help coming till morning.

Slowly, cautiously they each reveal their true selves to each other, which leaves one of them falling in love and the other looking for a way out.

But which is which...

BOOK 2: LOVE & MONEY

Ava Monroe has spent the last four years working her butt off to get through college, but her hard work has paid off.

She's been awarded a full scholarship to grad school at Harvard and to reward herself, she's taking a trip to Greece alone before school starts in the fall.

Sitting at an outdoor cafe she catches the eye of a handsome, older stranger. He introduces himself as Declan McLeish. Little does Ava know, the McLeish family is one of the most powerful in Britain and Declan is heir to it all.

At first, she is insulted by his condescending nature, his British formality, his probing dark eyes. But when Ava loses her wallet and left destitute on the streets of Athens, Declan not only becomes her savior, but her lover, as well...

Could Ava, the simple girl from Vermont really fit into the international business world of Declan? The question she most seeks the answer to is, exactly where does she fit in his heart...

BOOK 3: THE TAKE OVER

Sheila Carver is one of the top women entrepreneurs on the planet and makes no bones about how she got there. She's tough, smart, and willing to put profits before people.

Called "The Ice Queen" by Business Week Magazine, Sheila has built her deceased father's digital publishing house into a billion dollar business by being a hard-nosed bitch that always wins, no matter who gets hurt in the process.

When her mother marries Samuel Wells, a successful entrepreneur in his own right, their companies merge with Sheila at the helm; a fact that Sam's son, Patrick, struggles to deal with.

Patrick is the president of Wells & Sons, a traditional paperback publisher. Patrick is kind, easy going, and loved by everyone except his new business partner, Sheila.

When Sheila comes to visit Wells & Sons, she is determined to pick the company apart and make it her own.

Patrick, on the other hand, is determined to get this meddling woman out of his hair and his business, even if

it means being nice to her during the day and making love to her all night long...
