THE GODFROY'S - Wea & Miami Indians & Their French Families:: A History & Genealogy Throughout Time: Volume II History (Vol-II History) (Volume 2) Brenda K. Haffner

VOLUME II - HISTORY Size: 8.5 x 11"; 604 pages Three Massive Volumes; Vol-I Genealogy; Vol-II History & Vol-III Documents; all telling the historic family story of a mixed peoples; Wea, Eel River, Miami, Kaskaskia, Peoria & Illini Native American Indians & French; spanning in time from the year 1066 to 2000! NEVER BEFORE has there been such a dramatically complete written history on the Wea (Ouiatenon) Indians & their Tribe anywhere! The books will take the reader deep into the trenches of the REAL history never before seen in any other writings! All in chronological order for easy following & understanding as the events of history & time unfold before your very eyes. Quotes from the Author: "Our French forefathers started their journey into the New World, what is now America; they met & married our Wea Native American Indian Ancestors, who had always been here. The blending of these two ancestral roots makes up our families & who we are today. There is no shame. Our Ancestors did what they thought they must in order to survive. Today we are faced with the same; we must do what each of us thinks we must to preserve our Peoples history, culture & beliefs. For me, this is the truth & this is the reason I write these books. I assure you that all facts are historically correct & backed up by numerous historical documents & archive material of which most is listed in the books references. This work took over 10 years for each volume to be completed. The research & collecting of this material spans over 4 generations. Our Ancestors in these books will find & embrace many people, many families, not just ours. It is my hope that many more people out there will find their roots & Ancestors because of this work." Vol-I Genealogy & Vol-III Documents will be published soon in the same fashion in the very near future. Watch for them!
