The Rocker That Holds Her

I had big dreams of how I wanted my life. Becoming a rock star was all I wanted. It would solve so many of my problems. With the money that I would make I was going to take care of my mom, get her out of the hell hole we had been living in all my life. Having your dreams come true isn't something that many people get to accomplish in life. I did, and I loved it.

For about a minute...

It's funny how when you think you have everything you could possible every want, your dreams change. Mine did without my even realizing it. Then I opened my eyes and saw that everything I ever wanted was standing in front of me.

From the first day I set eyes on Emmie she became a part of me. The guys and I spent years watching over her, caring for her... Loving her. Then without my realizing it my love for her changed. I found myself aching for her, wanting her in a way that a guy like me had no right to want her. My love and need for Emmie became an all-consuming ache that I was helpless to fight against.

Would she ever open those big green eyes and see me as anything but a friend?
