## **What Money Can't Buy** DeVonshae Person

Charyn Barnett is tired of trying to save a marriage that obviously isn't moving in the right direction. She is trying to fill the void in her heart with constant shopping sprees, which do not satisfy. After the writing on the wall becomes more than she can ignore, Charyn finds the strength to wave goodbye to her second husband and finds a renewed sense of self.

What Money Can't Buy will encourage the reader to look within and to evaluate if the relationship they're in is worth the dissatisfaction it brings. It will also give you hope to proceed on in your life, while focusing on your own peace of mind...the one thing money definitely can't buy!

Author and Cover Model DeVonshae Person does it again! In her fourth novel she adds enough spice and drama to keep you turning the pages. DeVonshae also brings enough inspiration to get you to thinking about a situation many women find themselves in. DeVonshae Person resides in Florissant, MO with her three sons Elijah, Isaiah and Joshua. She speaks on several platforms about Lupus and the effects it has had on her life. She uses her passion for spreading awareness to raise funds for the cause. She is a contributing writer for STL Voices Magazine and has been on the Voices Books and Publishing team for four years. She attends Shalom Church City of Peace and works with children who have Special Needs.
