Jesse and his companions came walking over the crest of a hill in Wirral, Merseyside one morning and shook the foundations of the world. His weapon was neither firearm nor knife nor any tool of war—his weapon was healing. Jesse was a healer. He brought not his healing, but God's healing through him, to people who suffered from injury, illness or bondage. Worldly powers opposed him but they were no match. Because of his faithfulness to his calling his life was filled with adventure after adventure. This novel is an accounting of those adventures.
