## **Love To Hate You (Love/Hate) (Volume 2)** Isabelle Richards

Some connections are so powerful they will not be denied. Despite doing everything in their power to fight their feelings, Chase and Arianna decide to give their love a second chance. They hope that the long, painful journey back to each other will have taught them not to make the same mistakes again. This time they'll get it right. All they need is a little time for the wounds to heal. Unfortunately, life doesn't stop just because love is in the air. Just as they begin to reconcile, their relationship is bombarded by crisis after crisis throwing their lives into a tailspin. Had they learned from their past, Chase and Arianna would find a way to lean on each other during trying times. But some people never learn. Instead of revealing their strength, each challenge exposes their vulnerabilities. The cracks in their relationship turn into chasms as they let each other down time and time again. Hurt and betrayal overshadow the love, and they slip back into old habits. Hiding behind hatred for each other is much easier than facing the truth. Will they find their way back to each other or will they stay trapped in the space between love and hate?
