The Games We Play: The Complete Bad Boy Romance Series Box Set Elizabeth Nelson

It was supposed to be a quick lay. A one night, one time, no strings attached deal. That's what I thought I was signing up for. After all, it was Hilary's idea. She said I needed a quick rebound f*ck to get my ex, who just broke up with me, out of my mind and life forever.

I wasn't sure. One night stands weren't really my thing. But if I had to go through with it to get my ex out of my mind, then it might as well be with him. And when his eyes locked on mine, I knew I was way over my head with this surf legend, womanizing bad boy.

And when I learned a secret about my own family, I was suddenly caught in a strong current quickly taking me out to sea. I just wondered who would save me first, my ex or this new bad boy whose bed I couldn't seem to escape, before I drowned.
