El animal social (B DE BOOKS) (Spanish Edition)

David Brooks

El animal social (B DE BOOKS) (Spanish Edition) David Brooks

N.º 1 del New York Times. Una aventura intelectual conmovedora, un relato de logros y una defensa del progreso. Ésta es la historia de cómo se produce el éxito. Se cuenta a través de la vida de una pareja, Harold y Erica: cómo crecen, avanzan, retroceden, fracasan y triunfan. A partir de la gran cantidad de información que aporta sobre estos dos personajes, vívidamente descritos, Brooks ilustra un nuevo conocimiento fundamental de la naturaleza humana. Se ha producido una revolución científica, hemos aprendido más del cerebro humano en los últimos treinta años que en los trescientos anteriores. Resulta que la mente inconsciente es «la mayor parte» de la mente. Es el terreno de las emociones, las intuiciones, las tendencias, los deseos, las predisposiciones genéticas, los rasgos de la personalidad y las normas sociales, allí donde se forma el carácter y se toman las decisiones más importantes de la vida. «Provocador y fascinante... Brooks demuestra que lo que está más allá de nuestro control consciente es inmenso.» Philadelphia Enquirer «'El animal social' es autorizado, impresionantemente erudito y de gran alcance.» Newsweek
