Seasons of a Mother's Heart, 2nd edition Sally Clarkson

Your life as a mom is a whirlwind of changing seasons that can just as easily exhaust as exhilarate you. Sit down, take a few moments, and allow yourself to be refreshed and encouraged by a few stories, insights, and lessons from a friend. Sally Clarkson opens her heart within the pages of this timeless classic, sharing what she has learned as a homeschooling wife and mother -- about herself, her children, and her Lord. Revised and expanded for today's moms, *Seasons of a Mother's Heart* includes four all-new essays by Sally, one for each season of a family's life, from the renewal of spring and the response of summer to the resolve of fall and the reflection of winter. So step in out of the whirlwind, pour a cup of tea, and take a deep breath of the Spirit with Sally.

Sally warmly invites us to savor the experience of mothering, while constantly showing how it is only possible as the children of our heavenly Father. Refreshing, relational, real. I couldn't put it down!

Diana Waring

Author of *Beyond Survival* and *Reaping the Harvest*

As we read and discuss this book together, the moms I mentor begin to realize that being a homeschooling mother is about much more than just educating their children -- it is about discipling them to follow Christ.

Homeschooling parent and educational consultant
