Simplify Your Life with Kids, first published in 1997, has sold over 250,000 copies. Here is the paperback edition of Elaine St. James's best-selling guide to making life with children easier, simpler, and happier. Everyone with children has experienced the frustrations of trying to juggle softball practice, PTA meetings, meals, laundry, and comforting a crying child with marriage, a hectic career, and what used to be a social life. It's a familiar challenge in many of today's harried households. In fact, in nearly three-quarters of American homes with children under eighteen both parents are employed full-time. Life can quickly get complicated. Simplicity expert Elaine St. James now has solutions for beleaguered parents everywhere. Simplify Your Life with Kids offers practical, down-to-earth advice for the vital, time-demanding, perplexing issues that all parents face; it promises to be an easy read for busy parents whose lives are so hectic they don't have the time or energy to wade through a heavy tome. Like St. James's previous simplicity books, Simplify Your Life with Kids will become the classic gift choice for anyone with kids, for anyone who's expecting kids, for older "boomer" parents, for parents of the currently developing "baby boomlet," and for everyone who knows anyone with kids.
