City Parks: Public Places, Private Thoughts Catie Marron

Catie Marron's *City Parks* captures the spirit and beauty of eighteen of the world's most-loved city parks. Zadie Smith, Ian Frazier, Candice Bergen, Colm Tóibín, Nicole Krauss, Jan Morris, and a dozen other remarkable contributors reflect on a particular park that holds special meaning for them.

Andrew Sean Greer eloquently paints a portrait of first love in the Presidio; André Aciman muses on time's fleeting nature and the changing face of New York viewed from the High Line; Pico Iyer explores hidden places and privacy in Kyoto; Jonathan Alter takes readers from the 1968 race riots to Obama's 2008 victory speech in Chicago's Grant Park; Simon Winchester invites us along on his adventures in the Maidan; and Bill Clinton writes of his affection for Dumbarton Oaks.

Oberto Gili's color and black-and-white photographs unify the writers' unique and personal voices. Taken around the world over the course of a year, in every season, his pictures capture the inherent mood of each place. Fusing images and text, *City Parks* is an extraordinary and unique project: through personal reflection and intimate detail it taps into collective memory and our sense of time's passage.

From reader reviews:

Brian Price:

Nowadays reading books become more than want or need but also be a life style. This reading routine give you lot of advantages. Advantages you got of course the knowledge your information inside the book this improve your knowledge and information. The information you get based on what kind of guide you read, if you want send more knowledge just go with education and learning books but if you want really feel happy read one along with theme for entertaining for instance comic or novel. The City Parks: Public Places, Private Thoughts is kind of publication which is giving the reader capricious experience.

David Eaton:

Do you one of the book lovers? If yes, do you ever feeling doubt if you are in the book store? Attempt to pick one book that you find out the inside because don't determine book by its include may doesn't work at this point is difficult job because you are afraid that the inside maybe not seeing that fantastic as in the outside appear likes. Maybe you answer may be City Parks: Public Places, Private Thoughts why because the amazing cover that make you consider concerning the content will not disappoint anyone. The inside or content is actually fantastic as the outside as well as cover. Your reading sixth sense will directly guide you to pick up this book.

Buddy Stewart:

As a scholar exactly feel bored to reading. If their teacher expected them to go to the library or even make summary for some e-book, they are complained. Just minor students that has reading's soul or real their hobby. They just do what the professor want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that examining is not important, boring along with can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this City Parks: Public Places, Private Thoughts can make you experience more interested to read.

Trent Gibson:

What is your hobby? Have you heard that question when you got college students? We believe that that issue was given by teacher to their students. Many kinds of hobby, Every individual has different hobby. And you also know that little person similar to reading or as reading become their hobby. You should know that reading is very important as well as book as to be the issue. Book is important thing to incorporate you knowledge, except your current teacher or lecturer. You find good news or update about something by book. Many kinds of books that can you take to be your object. One of them is City Parks: Public Places, Private Thoughts.
