Catherine Osborne

Eros Unveiled: Plato and the God of Love (Clarendon Paperbacks) Catherine Osborne

This unique book challenges the traditional distinction between *eros*, the love found in Greek thought, and *agape*, the love characteristic of Christianity. Focusing on a number of classic texts, including Plato's *Symposium* and *Lysis*, Aristotle's *Ethics* and *Metaphysics*, and famous passages in Gregory of Nyssa, Origen, Dionysius the Areopagite, Plotinus, Augustine, and Thomas Aquinas, the author shows that Plato's account of *eros* is not founded on self-interest. In this way, she restores the place of erotic love as a Christian motif, and unravels some longstanding confusions in philosophical discussions of love.
