The Billionaires Wife Part 4...Does absence make the lust grow harder?

In Part 4 of this sexy, contemporary, and addictive romance you travel with Jonathan and Lenox as their hearts and bodies come together, forming a bond that will soon shake their foundation and threaten the future. Can they survive this big bump in the road or will it tear them apart?

Jonathan takes his index finger from his mouth and points to the floor between his legs, "Here," he orders, and I scurry over to obey his command. Taking his left foot off his right knee, he places it on the floor, and he creates a space for me between his legs. Then he holds a finger up and spins it, indicating that I am turn around slowly for him. I stand before him now in hot pink satin platforms with crystals covering the heel, a hot pink lace panty and matching bra set that also have crystals along the satin trim. I turn slowly while looking down at him with a heady combination of adoration and wanton lust. Once I make a full rotation and am facing him, he reaches out to me and grabs the top of the panties. Slowly he pulls them down to my ankles, taps my foot to let me know to step out of them, and brings them back up to his face. Keeping full eye contact with me, he holds them up, brings them to his nose, smiles, and puts them in his jean pocket.

The Billionaires Baby Part 5...How much can one-woman take?

I never wanted her to fall for me, but knowing she has makes me feel like a king.

I never felt the way I feel with her, she looks up at me with these big innocent eyes full of love.

She is the smoldering flame in my soul that I thought Alisha had snuffed out.

My instinctive reaction to take care of her is so strong it is turning into my compulsion.

When we are alone, and she is in my arms, as our lips touch I feel a part of me leave and pass into her. I want a part of me to stay with her always, to keep her safe.

How is this going to work? What will she do when she finds out about Alisha's new threat?

How can I keep her away from the ugliness that I deal with, how can I keep her untainted and cherished?

The Billionaires Divorce...Part 6

What do you do when you fall in love and you are married to someone else?

How do you keep a relationship together on two different coasts?

At first, I thought that the crash was in my head, but as I spun around, I saw Lenox surrounded by broken

glass and champagne, with tears running down her face. She looked scared but I don't know if it was from the shards surrounding her or what she heard my attorney just tell me about Alisha's paternity test results. Both were upsetting.

My poor girl, looking at her standing there, so beautiful, so innocent and angelic to me, now I have caused more tears to run down her sweet face. I love this girl but I am not ready to admit it aloud. I barely just realized it myself.

Special Note to previous purchasers. This is the same three part bundle, only the title and cover has changed
