George R. R. Martin, Lisa Tuttle

**Windhaven** George R. R. Martin, Lisa Tuttle

**“Told with a true storyteller’s voice: clear, singing, persuasive, and wonderfully moving . . . a truly wonderful book.”—Jane Yolen**

**From #1 *New York Times* bestselling author George R. R. Martin and acclaimed author Lisa Tuttle comes a timeless tale that brilliantly renders the struggle between the ironbound world of tradition and a rebellious soul seeking to prove the power of a dream.**

Among the scattered islands that make up the water world of Windhaven, no one holds more prestige than the silver-winged flyers, romantic figures who cross treacherous oceans, braving shifting winds and sudden storms, to bring news, gossip, songs, and stories to a waiting populace. Maris of Amberly, a fisherman’s daughter, wants nothing more than to soar on the currents high above Windhaven. So she challenges tradition, demanding that flyers be chosen by merit rather than inheritance. But even after winning that bitter battle, Maris finds that her troubles are only beginning. Now a revolution threatens to destroy the world she fought so hard to join—and force her to make the ultimate sacrifice.

**“Martin and Tuttle make wonderful professional music together . . . shifting easily from moments of almost unbearable tension to others of sheer poetry and exhilaration.”—*Fort Worth Star-Telegram***

**“A powerful flight of the imagination . . . an entirely enjoyable reading experience, wrought by a pair of writers noted for excellence.”—Roger Zelazny**

**“It’s romance. It’s science fiction. It’s beautiful.”—A. E. van Vogt**

**“I didn’t mean to stay up all night to finish *Windhaven*, but I had to!”—Anne McCaffrey**

### From reader reviews:

#### **Della Richardson:**

In this 21st hundred years, people become competitive in most way. By being competitive at this point, people have do something to make them survives, being in the middle of typically the crowded place and notice through surrounding. One thing that at times many people have underestimated it for a while is reading. Yes, by reading a book your ability to survive improve then having chance to remain than other is high. For you personally who want to start reading a book, we give you this Windhaven book as nice and daily reading guide. Why, because this book is greater than just a book.

#### **Leslie Babcock:**

The reason why? Because this Windhaven is an unordinary book that the inside of the book waiting for you to snap this but latter it will surprise you with the secret the idea inside. Reading this book next to it was fantastic author who all write the book in such remarkable way makes the content on the inside easier to understand, entertaining means but still convey the meaning fully. So , it is good for you because of not hesitating having this any more or you going to regret it. This amazing book will give you a lot of positive aspects than the other book include such as help improving your expertise and your critical thinking method. So , still want to delay having that book? If I were you I will go to the reserve store hurriedly.

#### **William Burns:**

Playing with family inside a park, coming to see the marine world or hanging out with pals is thing that usually you could have done when you have spare time, subsequently why you don't try point that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love Windhaven, you may enjoy both. It is great combination right, you still wish to miss it? What kind of hang type is it? Oh occur its mind hangout men. What? Still don't buy it, oh come on its known as reading friends.

#### **Eldon Hall:**

Some people said that they feel bored stiff when they reading a book. They are directly felt it when they get a half portions of the book. You can choose the actual book Windhaven to make your reading is interesting. Your skill of reading ability is developing when you just like reading. Try to choose easy book to make you enjoy to read it and mingle the impression about book and examining especially. It is to be first opinion for you to like to wide open a book and study it. Beside that the e-book Windhaven can to be your friend when you're really feel alone and confuse with the information must you're doing of that time.
