To develop a better "intermediate" level of certification between the EMT-Basic and EMT-Paramedic, the Department of Transportation created the EMT-Intermediate curriculum. The function of the EMT-I is to provide basic and advanced life support medical and traumatic emergencies. Whether being used in preparation for National Registry, regional, state or city examinations, EMT-I PreTest serves as the ideal instrument for self-assessment and review. 420 multiple-choice questions in exam format have correct answers with detailed rationales referenced to current textbooks. The organization of the book follows the National Standard Curriculum for the EMT-I, and includes coverage of body systems; patient assessment and initial management; airway management; assessment and management of shock; pharmacology; trauma, cardiac, and medical emergencies; pediatric emergencies, and much more.
