## THE PICTURE OF DORIAN GRAY (ILLUSTRATED WITH FINE ART CLASSIC PAINTINGS)

Oscar Wilde

Oscar Wilde is best known for his witty, farcical plays, and he produced in his lifetime only one novel, *The Picture of Dorian Gray*, which tells the story of a beautiful young man who sells his soul to continue his debauched lifestyle, while only his portrait visage bears the ravages. Despite the book being subject to censorship without the author's knowledge or permission, it still managed to create a sensation of outrage among its Victorian audience, thanks in no small part to the novel's overt handling of decadence and moral depravity – taboo in the 19th century but utterly relevant today.
