## **CRISIS IN SPADES...One Man's Opinion** Sam Landau

A myriad of problems face our great nation and the global community in which we live today. A select number of these problems have particular application to the security and well-being of our country - these United States. This book provides a synopsis of these problems - presented as an unbiased bi-partisan view with resolution. You may agree or disagree with the writer but you will find the views challenging and worthy of your consideration.
