*Anything for their child*

Lena Dunkirk is a practicing witch, Ryan McNally a wealthy playboy. Logic says mismatch, yet from the first they share a passion that defies reason, as if they know each other from another place, another time. Then Lena gets pregnant and runs for the safety of home.

Months later, when Ryan appears at her door looking to help raise their child, Lena doesn't know whom to trust—particularly now that "guru to the stars" Bahru has taken an interest in her baby, offering gifts forged of magic.

Soon she and Ryan are sharing eerie dreams of ancient lands, while a vengeful demon plots to take possession of their child. As the moment of birth approaches, the demon's power rises, forcing the hand of love to wield the blade that will decide the fate of a child's soul—and the future of the world.
