Pensacola may boast the world's whitest beaches, but the sands of time reveal a dark history in America's first settlement. It's no surprise that one of the nation's oldest cities is also among the most haunted, with culturally diverse spirits from the ages of the Spanish founders and British settlers through the turbulent era of the Civil War. Author and expert Alan Brown presents a survey of unexplained mysteries at Pensacola's eerie landmarks. The infamous haunted lighthouse, the ghosts of St. Michael's Cemetery and the tale of the headless woman of Ramona Street are just a few of the chilling stories recounted in Haunted Pensacola.
