Shakespeare: A Life

Park Honan

Shakespeare: A Life Park Honan

In the most complete, accurate, and up-to-date narrative of Shakespeare's life ever written, Park Honan uses a wealth of fresh information to dramatically alter our perceptions of the actor, poet, and playwright.

The young poet's relationships, his early courtship of Anne Hathaway, their marriage, his attitudes to women such as Jennet Davenant, Marie Mountjoy, and his own daughters, are seen in a new light, illuminating Shakespeare's needs, habits, passions and concerns. Park Honan examines the world of the playing companies -- the power of patronage, theatrical conditions, and personal rivalries -- to reveal the relationship between the man and the writing, and using previously unpublished material explores the causes of Shakespeare's success; Stratford childhood, his parents' capabilities, and his preparations for a London career. *Shakespeare: A Life* casts new light on the complexity and fascination of Shakespeare's life and his extraordinary development as an artist.

Henry Baker:

As a scholar exactly feel bored to be able to reading. If their teacher requested them to go to the library or even make summary for some book, they are complained. Just very little students that has reading's heart or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that examining is not important, boring and also can't see colorful images on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Shakespeare: A Life can make you experience more interested to read.
