The Power of Intention Cards Dr. Wayne W. Dyer

Intention is generally viewed as a pit-bull kind of determination propelling one to succeed at all costs by never giving up on an inner picture. In this view, an attitude that combines hard work with an indefatigable drive toward excellence is the way to succeed. **Dr. Wayne W. Dyer** has researched intention as a force in the universe that *allows* the act of creation to take place. These cards explore intention—not as something you do—but as an energy you're a part of. We're all *intended* here through the invisible power of intention. The cards are based on the book *Power of Intention*, which will be in stores Feb. 23, 2004, ISBN: 1-4019-0215-4.
