Billionaire Romance: BRAD (An Alpha Bad Boy Contemporary Mystery Romance) (Mysterious Billionaires Book 2, Anthologies & Collections) Nicole Banks

Desire and wealth interlock in a passionate embrace as the four billionaires of Rogue Enterprises find themselves face-to-face with love.

When power and love collides there's bound to be trouble, especially when it involves the daughter of your arch-nemesis.

Brad Draper is a man who loves to be in control and always gets what he wants. He worked hard to attain the vast amount of wealth and power he holds, and he didn't mind stepping on a few toes to get it either. That includes the toes of John Heeden, owner of a rival enterprise and a bridge he never regretted burning until he asks the name of the pretty and fiery artist in the gallery down the street.

"She isn't like anyone I've ever met before. Of all people, why does she have to be Carrie Heeden?"

Carrie doesn't always agree with her father, but there's no love lost between her and Dad's biggest competitors, the four young billionaires at the helm of Rogue Enterprises. Her artistic soul is offended by their corporate greed, at least until the biggest cad of them all drives his motorcycle right up to her gallery and charms her socks off.

"His reputation precedes him. I know it's risky, but I can't help wanting him."

A dangerous game of cat-and-mouse under the nose of her father and his enemy, Brad and Carrie both know the stakes. But they're willing to gamble everything for the sake of passion, and Brad's motto is simple: if you're going to risk something, risk it all.

This is the second standalone book in the *Mysterious Billionaires* series.
