Hunting For A Mate 4 (BBW Shifter Menage Romance) Becca Fanning

**Sven pulled me down onto his hungry mouth. Two golden eyes looked up at me from between my legs. My Alpha, Helmut, stood in front of me, his need clear in his hands...**

Trondheim has been such a wonderful place. Our small **Shifter** village is tucked away in a remote part of Norway, safe from unwanted attention. This morning I decided to take a morning run through our wilderness. Something to stretch the legs, and to shake off my inability to sleep lately.

I never would have guessed what I'd find in those woods. Something dark. Something sinister. Something from a time long forgotten. I'm not proud to admit it, but it frightened me.

I was happy to be reunited with my two lovers, and that evening we'd throw all our cares to the wind in a carnal spectacle that made the stars above blush!
