The Disney Princess Sound Book: Once Upon a Time, 10 Stories and 100 Sounds is a collection of enchanting stories featuring Cinderella, Belle, Jasmine, Sleeping Beauty, and other popular Disney Princesses. This Play-a-Sound book is equipped with a built-in speaker that plays sound cards to bring the stories to life.

Designed for children ages 18 months and older, the book includes 10 stories accompanied by 100 magical sounds on five sound cards. Children choose a story to read, find the sound card with the same border color, and slide the card into the book's speaker unit. When one of the small sound pictures appears in the story, children press the matching picture on the sound card to hear the special sounds. Among the many fun sounds are short melodies, a steaming teapot, ringing bells, and birds chirping.

Each story is beautifully illustrated by the Disney storybook artists and features one of the Disney Princesses. Children can join their favorite princesses in these magical stories:

Good Morning, Cinderella

Ariel in Love

Dinner with Snow White

Rescuing Sleeping Beauty

Belle's Dreams

Jasmine's Grand Adventure

Mulan the Warrior

The Magic of the Forest

Winter Friends

Off to the Ball

The book's sturdy cover is designed to withstand repeated use, and the built-in speaker stays with the book. The Disney Princess Sound Book: Once Upon a Time, 10 Stories and 100 Sounds comes with three replaceable long-life AG-13 batteries and conforms to the safety requirements of ASTM F963-07.
