This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1893 Excerpt: ...in fact, was under a cloud. An issue of some importance had arisen between the Underground National Bank and its youngest messenger; it involved no less a question than that of meum and tuum. Freddy Pratt, as messenger, had been in the habit of making two or three daily trips through the business district, during which the notes and acceptances that filled his big official wallet came to be exchanged for checks and greenbacks that represented corresponding values. One or two discrepancies had developed that called for attention. The boy's father came down to the Underground to contribute his share of this attention. He was a grave, repressive, saturnine person, who might have been set down as possessed of far greater means to meet the requirements of a growing boy in the midst of a circle of well-todo urban acquaintances than of inclination to study those requirements. He was received in Brainard's own private room, and the affairs of the penitent and sobbing boy were discussed over his head by his parent and his employer. "You foolish child," said the elder Pratt to his son, in the self-conscious tone by which we address age through youth; "if you wanted anything, why didn't you ask me for it?" This father, seriously handicapped as he was by his own temperament, was attempting to treat the matter as something rather slight and trivial. The pettiness of the amount involved, the perfect ease of restitution, the youth of the offender, the utter simplicity and primitiveness of his method--all these he touched upon with a feint of light-handed ease. Another might have blown an airy bubble like this, even in the face of Brainard's ominous and taciturn frown; but Pratt was not the man to do it. He soon left the upper air of informal jocularly...
