Joseph Nicolosi, Linda Ames Nicolosi

A Parent's Guide to Preventing Homosexuality Joseph Nicolosi, Linda Ames Nicolosi

Homosexuality: is it learned, biological or both? The answer to this question deeply concerns parents. They want to know how they can best raise their children. A common belief today is that nothing can be done to foster the development of healthy heterosexual orientation in children. But the clinical experience and professional research of Dr. Nicolosi and others indicates otherwise. In this groundbreaking book Joseph and Linda Ames Nicolosi uncover the most significant factors that contribute to a child's healthy sense of self as male or female. Listening to moving recollections from ex-homosexual men and women who describe what was missing in their own childhoods, the Nicolosis provide clear insight for identifying potential developmental roadblocks and give practical advice to parents for helping their children securely identify with their gender. Replete with personal stories from parents, children and ex-homosexual strugglers, *A Parent's Guide to Preventing Homosexuality* offers compassion and hope for all those parents who seek to lay a foundation for a healthy heterosexual identity in their children.
