Gemini Doll tells stories about all the girls to get an upper hand on the dancers, "She had an unstable brain that she often bragged about: Her nicotine addiction, bad marriages, death of a dog with a neck break, mind games over men like the doorman who left after falling for her. Bowie bragged about her physical issues. Cried after men observed her breasts with dislike. Please let me remind you again, I was peacefully reading the newspaper before I had to fill out the police reports." Dancers work for tips. Tip a bored girl on a slow night and the dancer will reveal every story you ask her.
