Fallen Angel of the Highway Gary a. Hage

Sean had enjoyed a wholesome, hard-working upbringing while growing up in the American heartland. Despite his father's hopes that he would take over the family farm, Sean had always dreamed of being a big-rig highway trucker. Tragedy struck not long after Sean had graduated high school and death took his father swiftly and without mercy. Unable to maintain the overwhelming task of maintaining the family farm, Sean is given the opportunity to realize his long-held dream of being a trucker-but a seed of bitterness has been quietly planted in his heart. With more tragedy and despair, the seed flourishes into an anger that threatens to consume more than just himself. Fallen Angel Of The Highway tells the story of the making of a homegrown terrorist on our own soil-how the one we would least expect can potentially become bent on destruction. Even the strongest-willed and patient ones amongst us have a deadly trigger within them whether they choose to believe it, or not.
