Jesus: Prophet of Islam Muhammad 'Ata ur-Rahim, Ahmad Thomson

Some believe he was a man, others that he was God, and others simply consider it a myth, but who really was Jesus (peace be upon him)? This book is a study of the life of Jesus according to Christian and Islamic sources. It is also a study of the origin of Christianity, examining the evidence with thoroughness and care, for the sole purpose of distinguishing the reality from the myths about the person and mission of Jesus. It is hope that this revised English edition of Jesus, Prophet of Islam will be not only more fascinating but also more accessible than the first edition.
