Upon her return from her best friend Charlie's wedding, Victoria found that the beautiful city of Chicago had never seemed emptier and neither had her soul. She realized she was surrounded by all the people in the world and she still felt lonely. Deciding to take her friend Charlie's advice and make a change in her life, she packed her bags and moved to the west coast of Florida. Little did she know that the young Amish girl that she met on the sandy beaches of the Gulf of Mexico would begin a spiral of emotional changes for both of them.
