Vincent, Theo and the Fox: A mischievous adventure through the paintings of Vincent van Gogh Ted Macaluso

An illustrated adventure story for children inspired by the paintings of Vincent van Gogh. As boys, Vincent and his brother Theo spy a mischievous fox sneaking into a farmer's cart. The fox finds the farmer's lunch bag and starts to rip it open. "That fox should be careful - the farmer will shoot him," says Vincent. "Let's catch him," replies Theo, "and take him someplace safe." They boys give chase through colorful fields, over land and sea, into the city and beyond--settings illustrated by over 30 of van Gogh's greatest works. On this imaginative journey, the boys - and the fox - learn about failure, success, and discovering how to be the best you can be when you grow up. A great way to open up the world of fine art to children.
