## **7 Men Who Rule the World from the Grave** Dave Breese

Though their bodies lie cold and dormant, the grave cannot contain the influence these seven men have had on today's world. They continue to rule because they have altered the thinking of society. They generated philosophies that have been ardently grasped by masses of people but are erroneous and antisciptural. Today these ideas pervade our schools, businesses, homes, and even the church.

As we continue to unknowingly subscribe to their philosophies, we keep the grave open for Charles Darwin, Karl Marx, Julius Wellhausen, John Dewey, Sigmund Freud, John Maynard Keynes, and Soren Kierkegaard. Dave Breese warns us of the dangers of believing unreservedly the ideas of these seven men. He also reminds us of the only man whose life and words we can trust completely--Jesus Christ.
