Co-creation (Ringing Cedars of Russia) (Volume 4) Vladimir Megre

"CO-CREATION", the fourth book and centerpiece of the Series, paints a dramatic living image of the creation of the Universe and humanity's place in this creation, making this primordial mystery relevant to our everyday living today. Deeply metaphysical yet at the same time down-to-Earth practical, this poetic heart-felt volume helps us uncover answers to the most significant questions about the essence and meaning of the Universe and the nature and purpose of our existence. It also shows how and why the knowledge of these answers, innate in every human being, has become obscured and forgotten, and points the way toward reclaiming this wisdom and in partnership with Nature manifesting the energy of Love through our lives.
