Friedrich

Hans Peter Richter

Friedrich Hans Peter Richter

by Hans Peter Richter translated from the German by Edite Kroll. Winner of the Mildred L. Batchelder Award. Synopsis: Friedrich and his best friend were growing up in Germany in the early thirties. At first, Friedrich seemed to be the more fortunate. His father was a well-respected and prosperous, while his friend's father had no job until Hitler came to power. Then things began to change. Friedrich was not allowed to join the Jungvolk; he was expelled from school at the age of nine; he became an orphan when his mother died and his father was arrested and deported; and finally, he was not allowed to seek refuge in an air-raid shelter in 1942. All because he was Jewish.
