When Cierra left the United States to move to London, she put the troubles with her ex behind her. Her position as a manager and the apartment in central London gave her the first sense of peace she'd known in a long time. Taking a self-defense class at the health club turned out to be just what the doctor ordered, because sexy martial artist and police officer Aiden Sakai was her instructor. Cierra couldn't believe it when this Asian hottie asked her out. With a new love and a new life, things couldn't get better--until Cierra's past came back to haunt her, not only putting her in danger but Aiden as well.
