The Long Shadow of the Civil War: Southern Dissent and Its Legacies Victoria E. Bynum

In *The Long Shadow of the Civil War*, Victoria Bynum relates uncommon narratives about common Southern folks who fought not with the Confederacy, but against it. Focusing on regions in three Southern states--North Carolina, Mississippi, and Texas--Bynum introduces Unionist supporters, guerrilla soldiers, defiant women, socialists, populists, free blacks, and large interracial kin groups that belie stereotypes of the South and of Southerners as uniformly supportive of the Confederate cause.

Examining regions within the South where the inner civil wars of deadly physical conflict and intense political debate continued well into the era of Reconstruction and beyond, Bynum explores three central questions. How prevalent was support for the Union among ordinary Southerners during the Civil War? How did Southern Unionists and freedpeople experience both the Union's victory and the emancipation of slaves during and after Reconstruction? And what were the legacies of the Civil War--and Reconstruction--for relations among classes and races and between the sexes, both then and now?

Centered on the concepts of place, family, and community, Bynum's insightful and carefully documented work effectively counters the idea of a unified South caught in the grip of the Lost Cause.

Reading a book to get new life style in this 12 months; every people loves to study a book. When you read a book you can get a wide range of benefit. When you read textbooks, you can improve your knowledge, mainly because book has a lot of information on it. The information that you will get depend on what sorts of book that you have read. If you would like get information about your examine, you can read education books, but if you act like you want to entertain yourself look for a fiction books, these kinds of us novel, comics, in addition to soon. The The Long Shadow of the Civil War: Southern Dissent and Its Legacies will give you a new experience in studying a book.

Melvin Dwyer:

As a college student exactly feel bored for you to reading. If their teacher requested them to go to the library in order to make summary for some e-book, they are complained. Just minor students that has reading's spirit or real their pastime. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that looking at is not important, boring along with can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this The Long Shadow of the Civil War: Southern Dissent and Its Legacies can make you sense more interested to read.
