Amber Argyle's *Witch Fall* is a lush, complex, and heartrending tale whose action, romance, tragedy, and triumph is sure to delight fantasy lovers. ~ Kate Avery Ellison, Author of the Frost Chronicles.

Supreme in their dominion over seasons, storms, and sea, the witches have forgotten the unmatched destructiveness of mankind. And among the weapons men seek are the magical songs of the witches.

Born of witches but raised among their enemies, Lilette searches for a way to heal the rift between mankind and the witches. But it may be too late to save either. For if there is one thing Lilette has come to know for certain, it's that all things fall.
