Can a Fate and her dragon lover live a normal life? Rysa Torres survived the hell of her Fate activation. She survived the weight of healing the wounds inflicted on her fiancé Ladon's tattered soul. So how could her final year as a normal college student at a normal university be anything but... normal? But sometimes the ordinary masks chaos. Sometimes, monsters lurk in crevices so deep not even a Prime Fate like Rysa—or bloodhound Shifter like her friend, Daisy Pavlovich—sense the coming attack. When the worst Fates and Shifters on Earth come calling for one last dance, Rysa must fight—and embrace the darkness within her paranormal heritage. Will her heart—and her soul—survive?
